He's in the Army now.....

Dustin Briscoe, youngest son of Randi Hawk Lawson, has joined the U. S. Army. Dustin left for Fort Knox, Kentucky on Wednesday, August 29th. He is currently undergoing some additional medical testing to determine if a childhood seizure disorder may keep him from going forward to active duty basic training. He is currently at the base hospital undergoing these tests and would appreciate getting some mail. I hope you can take a few minutes and send a funny card or a short letter of encouragement to Dustin.

Briscoe Open House

Saturday, August 25th was a big day for the Briscoe family. The first event of the day was the baptisms of Dustin, Amanda, and Damien Briscoe, performed by Pastor French in the St. James Sanctuary. Then the family gathered in the St. James Cafeteria for an open house in honor of Dustin Briscoe joining the U.S. Army. In addition, during the afternoon gathering, a baby shower was held for Dustin and Amanda. Their daughter is due in early December. Since Dustin will be away during this special time, an early shower was planned so that he could share in the fun!! About 60 family and friends help celebrate this special day.

NEW SECTION FOR NEWSLETTER "Getting to know you"

Ok, this is the second newsletter and I'm sure many of you are already wondering who some of these names are on the birthday and anniversary list. We are a growing family and it is hard to keep track of who's who. So in an effort to help us get to know everyone in the Steiner family, I will need your help! Beginning with the January 2008 issue, each month a page or two will be devoted to one of the eleven children of Harry and Edith Steiner. We will begin with the oldest (Fred Steiner and family) and continue each month to the youngest (Joe Steiner and family). What would you like to know? I think some of the obvious will be shared, like children, grandchildren, spouses names, addresses, email occupations, special talents, addresses, etc. Let me know what you think!! I don't want to invade anyone's privacy, but I do want us to get to know each other. Please email me at (mowp@purdue.edu) or call me at (765) 430-4141 and give me your opinion. I look forward to hearing from everyone!

Military Tribute Page

After a discussion with Dana Beck, I think it would be wonderful to have a tribute to those family members who have served in the military. There have been many (Dana and I were both in the military)! I'll bet many of you didn't know that! Several of our family members have served during war times and other during more peaceful times. I have received some pictures and information from Beth Lancaster in regards to Uncle Tom service. Again, I need help from everyone. Please send pictures and any information regarding you or a family members service in the Armed Forces. I hope to have this section in the November newsletter and soon after on the website. <mowp@purdue.edu or (765) 430-4141>
